Subject : Congratulations from Dun & Bradstreet for listing in "Leading SMEs of India 2023" Publication
==== Forwarded Message =====

Dear Mr. Kelkar,

Greetings from Dun & Bradstreet!

It gives me immense pleasure to inform you that **Sinnar Ure-Plas Private Limited** has been selected to be listed in Dun & Bradstreet's premier publication '**Leading SMEs of India 2023**', which is among the most credible and comprehensive compendiums for more than 15 years. [We congratulate you for this well-deserved recognition.](#)

The publication will be circulated among CXOs, MSME owners, industry veterans, Government Ministries and Agencies and Market Analysts. It will be extensively promoted through a digital campaign and will also be available for download on the Dun & Bradstreet microsite (www.dnb.co.in).

Small and Medium Enterprises (SMEs) and Mid-Corporates are accepted as a means of economic growth and promote equitable development. They contribute a third of India's GDP and provide employment to, directly or indirectly, 11 crore people. The Indian SMEs and Mid-corporates sector provide silent support to the national economy and act as a defense against global economic shocks and adversities. Therefore, it is crucial for Government of India and leading corporates to support and provide access to external sources of capital and technology that will lead SMEs and Mid-Corporate to scale expansion and reach their full potential.

For more than a decade, Dun & Bradstreet has been compiling the '**Leading SMEs of India**' publication which is among the most credible and comprehensive compendiums. This year, we will be creating a great digital footprint of our

Certifications

CERTIFICATE

Management system as per
ISO 9001: 2015
